### Have you been Baptised?

For two thousand years people have professed their faith in Jesus Christ through the waters of believers baptism. If you have never been baptised or are curious to explore it further please contact Eamon [eamon@hillsbc.org.nz](mailto:eamon@hillsbc.org.nz).

On Sunday 27<sup>th</sup> March at the 10:30 service we will baptise all those who are keen to profess their faith in this way...don't miss out!

*Today we'll pray for one of the young couples who have grown up in our church family and now sense God's call to discover what He has next for them. Jiwan and Sherie hear God challenging them to step out from the familiar at HBC into a new experience of Him. Although sad to see them go we're really pleased that for them this is the next step of faith in their journey with God.*

**Jiwan writes:** "As we feel God prompting us to leave the shelter of our long-time home Church, Sherie and I would like to say a huge thank-you to our church family here are Hillsborough Baptist. HBC has been a place of formation, foundation and friendship for us individually and as a couple, and will always represent a significant part of our lives. A small paragraph can never contain all the gratitude we have for the years of support, mentoring, encouragement, prayer and friendship we have received. Even now, as we venture out, we know that Hillsborough will always be a "spiritual home" for us. It's where we've grown up, and it's full of people we love and respect. Thanks and blessings,  
*Jiwan and Sherie"*

**13 March 2011**

As we continue exploring and wrestling with what radical kingdom living really is in 2011 we are so pleased to have David Pierce with us from Steiger International. If anyone typifies 'radical kingdom living' David Pierce would role quickly off our tongues. Steiger International are *'Dedicated to reaching and discipling the darkest corners of society with the love of Jesus'*.

It's always encouraging and challenging to hear David share his experiences of God's transformative work through their ministry into people's lives right in the midst of Satan's domain. Yeah! That is the God we know to be true, that is the gospel we proclaim and believe is the 'power of God unto salvation'. But David's life sounds so foreign from the life that I experience here in New Zealand yet it's the very same God and the very same gospel, why is this?

Maybe today as radical and different as the stories David shares with us are, you might catch a new glimpse of our God and a new glimpse of our gospel that you may have never seen before. This glimpse might just take you deeper into what it means for you and I to experience real radical kingdom living.

That is my prayer for you this morning.

*Eamon*

## Hillsborough Baptist Mentoring Programme, Tramping Trips

We are going to be organizing some tramping trips for kids from Hay Park Primary and Waikowhai Intermediate Schools. These kids are being mentored by youth in our church and we hope the trips will be a great way of building relationships and giving them different experiences. Some of these kids won't own or be able to borrow some of the gear needed. If you have any tramping gear in reasonable condition that you are willing to donate please give us a ring. We would need: warm sleeping bags, small to medium sized backpacks, sleeping mats, hiking tents

Thanks so much
