Welcome to Hillsborough Baptist

Last weekend I was in Christchurch and saw the many churches damaged or destroyed by the recent earthquakes. We are so blessed to have a building to worship in today. (Isn't it looking better with a new roof and fresh paintwork?) But the building is not the church, we the people are!

Today as we continue the series "Re-digging the wells" we will look at "Mutual Submission". Submission is an interesting word which can have negative or positive connotations. I wonder what comes into your mind when you hear the word submission?

At our recent "Setting your Church Free" day we acknowledged that lack of mutual submission can lead to a lack of trust and even suspicion. With Christ's example and help we at HBC can choose to work together in harmony, accepting, affirming and encouraging one another with all our differing personalities, strengths and weaknesses.

Ephesians 5:21 reminds us to "Honour Christ by submitting to each other" (Living Bible).

As we choose to live in an attitude of mutual submission we will reap the benefits, acceptance, trust, releasing each other unto all that God intended for us to be and to do for His glory and the extension of His Kingdom.

Take time this week to thank God for our wonderful pastoral team and for each person who is part of our HBC church family.

Pray that the community in which we live and work will see how we "do life" and want what we have and come to know the one who makes this possible Jesus our Lord and Saviour.

Blessings
