Welcome to Hillsborough Baptist

Emotions stirred within, I was getting really annoyed!!! "How arrogant" I sternly whispered!

*"Australians all let us rejoice for we are young and free, with golden soil and wealth for toil... our land abounds in nature's gifts of beauty rich and rare, in history's page let every stage Advance Australia fair"*

I proudly compared "at least we mention God in ours"

As I disappointedly sat down after the Wallabies last gasp win over South Africa and read the book of Ephesians bizarrely "advance Australia fair" came to mind.

Paul is revealing here how rich believers are in Christ and encourages them to claim that richness as a body of believers who take (advance) the world by storm. "Don't hold back" he says to them, "Christ didn't, you have been given so much, enjoy your richness, bask in it and together make history"

Today we cast a glimpse at the pictures Paul gives in Ephesians of this rich, living organism in Christ called 'the Church' and the depth of meaning he longed for the Ephesian believers to grasp hold of. "You are such a rich community because of Christ, don't waste it... together make history!"

Maybe those Aussies are more onto it than I thought, maybe it's not 'arrogance' just 'confidence'...but I still think they should have mentioned God!

See you at 'kick off' from the pulpit!
