3 July 2011

Good morning visitors and church family.

During this past week many of us including our young people, have felt the loss of a young person who passed away in tragic circumstances. A woman from the local school sent the following email of appreciation to our church community to thank us for the support given to their present and past students on Monday.

“I’d like to thank you for your hospitality to Andrea’s friends and teachers yesterday after the Funeral.

I felt touched by your kindness, your warmth, and the generosity of your people. The baking was truly delicious. Please express our heartfelt gratitude to all people who contributed. To experience this kindness at this time of raw grief meant a lot. Thank you so much, all of you!”

On another note, for your information, the SDAs who had rented our building on Saturdays for a number of years have now moved on as they purchased a church building at Kelston. They appreciated the use of the building.

I am so proud to be part of HBC.

Blessings

Alan Utting
