Welcome to Hillsborough Baptist

Wow, I'm excited!! It has finally arrived!!
 Many different cultures are descending upon our shores and the rest of the world will cast its gaze our way and regardless of the outcome, I am excited that history will be made.

Forever etched into the archives of rugby history, countries and individuals names will be added to its pages for the achievements they reached in trying to claim the prize of Rugby world cup champions 2011. What will those pages reveal?

I'm also excited, really excited because 2000 years ago history was re-written. Millions of people's lives were, are and will still be affected by the life of one Jewish man. What an imprint He has etched upon eternity itself. Now that's really exciting!

But what exactly did Jesus achieve?

Our new sermon series 'What Really Matters' seeks to dust off some of those old theological terms like 'substitution', 'propitiation', 'justification' and 'redemption'. Rich truths that seek to unravel a descriptive fullness for all that Jesus accomplished on our behalf. A richness that I know can leave us far more excited than any world cup ever could, even if the All Blacks do win.

Let your adrenaline rise as today we explore 'propitiation'
